Entertainment:

Although the Urban Mission Project does not coordinate your group's entertainment while visiting, Toledo is full of fun and exciting venues. A few popular places are listed here with contact information, and more entertainment options can be found on Toledo's visitor website at www.dotoledo.org

- The Toledo Museum of Art
 - The Toledo Museum of Art's collection of more than 30,000 works of art ranks among the finest in the United States. In our more than 35 galleries, Sculpture Garden, and Glass Pavilion, discover important, popular, and outstanding works of art, including paintings and sculptures by Bearden, Cézanne, Calder, Close, Cole, Degas, van Gogh, El Greco, Holbein, Kiefer, Matisse, Miró, Monet, Picasso, Rembrandt, Rubens, and Turner; masterworks from antiquity and Asia; decorative arts; and highlights from our renowned glass collection.
 - We believe in the power of art to ignite the imagination, stimulate thought, and provide enjoyment. Find out more on our informative website, www.toledomuseum.org
- The Toledo Zoo
 - The Toledo Zoo's animal collection consists of more than 8,500 mammals, fish, reptiles, amphibians, birds, and invertebrates, representing 750+ exotic species from all over the world. From polar bears to penguins, from king cobras to corals, if you have a favorite animal, chances are you will find it here. We are consistently recognized as one of the nation's top-ranked zoos, and we're the #1 destination in northwest Ohio!
 - Planning your trip to the Toledo Zoo becomes even easier with this visitor's guide.

- The Toledo Mud Hens Baseball
 - We are a professional, world-class Triple-A minor league baseball team that is an affiliate of the Detroit Tigers. And as such, are not only a great entertainment venue, but also a great source of pride for our region and especially for our fans.
 - While we take pride in helping to create fond memories for our fans, we acknowledge the many wonderful memories our fans create for us. Being in it together is what makes a great team work. By being in-tune with our legions of loyal fans. By feeding off their energy and passion when they chant "Let's Go Hens!" and responding to them by displaying it on the video boards. By interacting with them.

- Imagination Station
 - The world is constantly changing. New social, political, ecological and industrial challenges arise daily. As Richard Riley, former Secretary of Education, stated, “We are currently preparing students for jobs that don’t yet exist, using technologies that haven’t yet been invented, in order to solve problems we don’t even know are problems yet.”
 - The key to educating children for this seemingly impossible task is to teach them HOW to think, not just WHAT to think. The ability to innovate is critical 21st century skill for our children to have. And, innovating involves many important life skills: critical thinking, problem solving, communication, collaboration and creativity.
 - Imagination Station helps prepare the next generation of innovators by offering resources, programs and special events (while meeting the standards that measure your students’ success).

- There are many more exciting entertainment opportunities including art exhibits, musical performances, theatrical events, movie theaters, shopping and restaurants galore! Please see www.dotoledo.org, or ask the Urban Mission Project director for more information.
- Enjoy your time in Toledo!
