

The Maumee Watershed District Youth Urban Mission Project

A Ministry of St. Paul's United Methodist Church

Greetings!

Imagine, in one of the poorest neighborhoods in Toledo, there is a home owner in need of help. Help that any young person could provide. But more than that, in the city of Toledo, there are hundreds if not thousands of individuals who have yet to know Christ's love and grace in their lives. One youth, one home, one neighborhood at a time, we can change a community, and in doing so, transform lives by re-presenting Christ to those we have yet to meet.

Youth can do this kind of life changing work.

Imagine children learning about Jesus, laughing and playing together, and enjoying a nutritious dinner together.

Youth can lead and support a Vacation Bible School in the city of Toledo. On arrive on June 21- leave on June 27, 2015.

We are offering a special opportunity for the Maumee District Youth. We invite all youth groups to join together and serve in "One Village", historically the oldest neighborhood in Toledo. The Friendly Center is partnering with the Urban Mission Project a ministry of St. Paul's United Methodist Church, to give church youth an extraordinarily unique opportunity to work in "One Village" in the morning and early afternoon. We have also partnered with Monroe St. United Methodist Church. The youth will spend their evenings hosting and be leading a Vacation Bible School for the children that live around and near Monroe St. UMC. In the afternoons, youth will have showers, games, and time to relax and prepare for the VBS.

The cost is \$100 per youth/ and or leader. Friday will be a fun day that may have a minimal cost to it. The registration fee covers food, lodging at Monroe St. United Methodist Church, and all the supplies needed for the work site, and the VBS.

Please registration form with a \$50.00 deposit to reserve your spaces. This will be applied to total cost of mission experience.

Please contact St. Paul's UMC with any questions.

Blessings,
